The NRFC produces research-based pieces focused on specific topics related to responsible fatherhood. Our Quick Statistics and Data Snapshots present recent statistics about trends in fatherhood in the US.

Other research reviews examine the current research on specific topics in the fatherhood field. Other resources developed by the NRFC include Promising Practice Reports, Practice Briefs, Spotlight on Dads, Responsible Fatherhood Spotlights, NRFC Tips for Dads, and NRFC Tips for Professionals - find them in the [NRFC library](#)!
